

A painting of a coastal town with white buildings and a church on a hill, reflected in the water. The scene is captured in a soft, painterly style with a muted color palette. The buildings are arranged in a terraced fashion on a hillside, leading up to a church with a prominent dome and spire. The water in the foreground is calm, reflecting the buildings and the sky. Two small sailboats with red sails are visible on the water. The overall atmosphere is serene and quiet.
